towns 362
varieties in Soviet Union ...734
Bees and plums 230
and swallows 482
as smugglers 654
a tribute to 666
do they sense fear? 655
fly out and die in snow ...110
fried 734
giant, any advantage in raising? 671
handling 100
heavily loaded cant make entrance 44
help dairying, how 597
in hollow tree 357
"Bees Knees", new fruit disease control 234
Bees, language of 230
life lessons from 233
medics discover way to excite 482
react to sound 298
the nursery 82
the spirit of the 80
tranquilizing by sound 668
vacuuming 418
will they bite the dust? 223
young, first flight of 435
Beeswax scarce in Australia .286
Beginner makes good 150
Bergamot, wild 616
Bible, bees and honey in 460
Bird house and swarm 42
Bitterweed 37
Bluevine honey 479
Boneset 678
Bowknots, honey orange 229
Boys make bees pay....713
Bread, fruited honey bran ..164
black walnut honey 612
honey brown 612
honey fig 164
honey orange 164, 612
honey, pineapple juice 164
honey prune 29
Breads, quick, honey 164
Brood chamber, too much space at sides 499
Brood diseases, origin of 360
Buckthorn 167
Buffalo bur 742
Bumblebees as pest 613

C

Cantaloupe yields, cut down flying time of bees 305
Cantaloupes and cucumbers, bees aid in pollination ..398
Check-off plan 548
concerns participating in ..690
Chickweed 167
Chinese honey exports 546
Chips, honey chocolate 547
Chlordane dust sure death to bees 695
Christmas cheer 732
gifts 732
Chunk honey, packing 459
production of 201
City slicker learns hard way .363
Clipping queens 542
how old is custom of 536
Clover fields, pollination of .218
white, pollination of 457
Coffeeberry 678
cake, honey pineapple 98
ring, honey cherry 98
time, its 98
Cole slaw, honey 229
Colombia, beekeeping in 111
Colonies, killing in fall 692
too strong for winter 53
Colorado, beekeeping in 408
Color deterioration in honey 406
Comb honey, care of 410
production, colony management in 142
production, section 349
selling late summer 401
Combs of alfalfa honey, carrying over for feeding 692
search for perfect 740
why should they be extracted? 625
Consumers' demands in packages bought 23
